

Christian Canturias

BS in Computer Science II

A simple sophomore pursuing a **Bachelor of Science in Computer Science** degree at **Jose Rizal Memorial State University**, with an interest in developing new skills, gaining hands-on experience, and collaborating. I'm still in the early stages of my journey in programming, software development, and web development, and I'm eager to learn more.

Personal Projects

Canturias (Website) AUG 2024

canturias.github.io

A dedicated website for curating and sharing links to my profiles, documenting my overall achievements, and writing posts. Hosted on GitHub Pages. No Javascript. No CMS. No framework (for now).

ToffeeTV (Website) OCT 2022

Website is no longer active.

A website I started as a project to learn the fundamentals of HTML and CSS. Hosted on GitHub Pages. No Javascript. No CMS. No framework. It became the official site for my former online persona (ToffeeTV).
